The ayes and nays shall be taken upon the passage of all ordinances or resolutions and entered upon the journal of the proceedings of the council and every ordinance or resolution shall require, on final passage, the affirmative vote of at least three of the members. No member shall be excused from voting except on matters involving the consideration of his official conduct, or where his financial or personal interests are involved.

In authorizing the making of any public improvement, or the acquisition of real estate or any interest therein, or authorizing the contracting of indebtedness or the issuance of bonds or other evidences of indebtedness (except temporary loans in anticipation of taxes or revenues or of the sale of bonds lawfully authorized), or authorizing the sale of any property or rights in property of the City of Hopewell, or granting any public utility, franchise, privilege, lease or right of any kind to use public property or easement of any description or any renewal, amendment or extension thereof, the council shall act only by ordinance; provided, however, that after any such ordinance shall have taken effect, all subsequent proceedings incident thereto and providing for the carrying out of the purposes of such ordinance may, except as otherwise provided in this charter, be taken by resolution of the council. (1950, c. 431)

§ 9. A record of all ordinances and resolutions shall be kept by the city clerk and authenticated by the signature of the presiding officer and of the said clerk, and when so made shall be prima facie evidence of the terms thereof and may be read as evidence in all legal and other proceedings in which the same shall be necessary.
